Upon his death on 16 March, 1886, his sister, Mrs. Holland, gave £1,000 to the Association, and other members of the family contributed further sums amounting to £340. The interest of this sum is given annually as a prize to the candidate who most distinguishes himself in an Examination in the subjects hereunder mentioned.

The examination must be held in England according to the terms of the Trust.

(c) Of possessing a degree or diploma in Psychological Medicine.

(2) Candidates will be examined in: (a) Psychology. (b) Anatomy, Histology and Physiology of the Nervous System; reproductive and endocrine glands; Pathology of the above, especially in relation to psychiatry. (c) The principles and practice of psychiatry and neurology. (d) Clinical cases in relation to the above.

An entry fee of £3 3s. is charged, returnable to bona-fide candidates.

The Bronze Medal and Prize.

(Value Ten Guineas.)

The Bronze Medal and Prize was established at the Annual Meeting held on 2 August, 1882, and is awarded to any medical officer below Consultant status of a mental hospital (public or private) for the best dissertation on a clinical or pathological subject relating to mental disorders.

The first winners were: 1883, J. Wigglesworth (prize only); 1884, S. R. Macphail; 1885, T. D. Greenlees (prize only); 1886, not awarded. For subsequent winners see under Honours Roll.

The following is an abstract of the conditions:

- (1) The dissertation to be written in English.
- (2) Each dissertation to be distinguished by a motto or device, and accompanied by a sealed envelope containing the name and residence of the author, and having on the outside a motto or device corresponding with that on the dissertation.
- (3) The dissertation shall not exceed 10,000 words in length.
- (4) The dissertation and every accompanying drawing and preparation will become the property of the Association, to be published in the Journal at the discretion of the Editors.
- (5) The dissertations not approved, with their accompanying drawings and preparations, will, upon application within one year, be returned, together with the sealed envelopes unopened; if not claimed within one year they will become the property of the Association.
- (6) The dissertations for the year must be delivered to the Registrar before 30 April.
- (7) No prize will be awarded if none of the dissertations is of sufficient merit.

Divisional Prizes.

(Two Prizes of £10 and £5 respectively.)

The proposal to award Divisional Prizes under the conditions set out below emanated from the Irish Division and was adopted at the Annual Meeting held on 13 July, 1911.

(1) Two prizes of £10 and £5 respectively will be awarded annually by the Association (provided sufficient merit be shown) for the best paper read during the preceding calendar year at a Divisional Meeting by a Medical Officer or Physician below Consultant status in a Psychiatric or Neurological Institution or Service. (See also Regulation No. 7.)

(2) Competitors must be members of the Association.

(3) Only one paper by a competitor can be entered during any competitive year. The same applies to a paper entered by more than one author.*

(4) Only papers certified by the Secretary of the Division (in the absence of the Secretary, the Chairman of the Meeting) to have been read at a meeting of the Division and to be eligible for this competition can be entered. Divisional Secretaries are to withhold their certificates in cases where there has occurred material alterations or additions.

(5) Papers certified as eligible for the competition shall be forwarded to the Registrar not later than April 30 of the following year. They shall be submitted to the Examiners for the Diploma in Psychological Medicine for report and then adjudicated on by the President. Publication shall not invalidate a paper for adjudication.†

(6) The results shall be announced, and the prizes awarded, if any, by the President at the Annual Meeting in the year following the competitive year.

(7) Papers by more than one author can be entered and any prize awarded will be divided among the authors.

(8) If in any competitive year, one or two papers only are submitted for competition the Council may withhold either or both prizes: or it may, after considering the report of the Adjudicator, and if in its opinion the paper or papers are of outstanding merit, award a first or second or both prizes, at its discretion.

* This means that the joint authors (though separately eligible) cannot enter another paper in the competitive year.

† The original MS., certified in accordance with Regulation No. 4, is to be submitted. Only under exceptional circumstances can a certified reprint of a published paper be accepted, but a reprint, where possible, should accompany the certified original MS.
